"Some kinda privacy when I study" **Students and the College Library**

Maura A. Smale, NYC College of Technology & Mariana Regalado, Brooklyn College | http://ushep.commons.gc.cuny.edu

Connecticut Library Association Conference, April 28, 2015

Take 5 minutes to draw a map of your library below. After you've finished your map, identify 1 place in your library that works well for your users, and 1 place in your library that does not work well for your users. Please try to be as complete as possible, and don't worry about the quality of the drawing!
